

COMMISSION No. 49

THE INTERPLANETARY PLASMA AND THE HELIOSPHERE

(LE PLASMA INTERPLANETAIRE ET L'HELIOSPHERE)

Report of Meeting held in conjunction with the 20th General Assembly

President: Stanislaw Grzedzielski

Vice President: Leonard F. Burlaga

I. Report of Business Meeting

A business meeting chaired by L. Burlaga was held on August 3, 1988.

1. Election of Organizing Committee. The Commission elected the following officers and members of the Organizing Committee for the term 1988 - 1991:

President: Dr. Leonard F. Burlaga (USA)

Vice President: Prof. Bimla Buti (India)

Organizing Committee:

P. Bochsler (Switzerland)

A. Eviatar (Israel)

R. Jokipii (USA)

H. Ripkin (Germany, FR)

I. W. Roxburg (England)

E. Sarris (Greece)

T. Watanabe (Japan)

2. New Members.

The following new members were unanimously approved: J. Buchner, E. Chassifiere, J. Joselyn, H. Lundstedt, R. Sagdeev, Y. Ming Wang, and Tyan Yeh.

3. Working Group.

It was agreed to establish a Working Group on Plasma Astrophysics in Commission 49, and Prof. B. Buti was elected to

chair this group. One objective of the Working Group will be to encourage and facilitate the interaction of members of Commission 49 with members of other Commissions who are concerned with problems of Plasma Astrophysics.
