Lights-Up! LED flashes when injection is complete

Living with the risk of anaphylaxis...

We'll talk you through it! **Allerject**™

CME in the SUN 2014

...are your bags packed?

Location to
be announced at CAEP
2013 in Vancouver.

Special Registration Offer
available at CAEP 2013!

INDICATIONS

ALLERJECT™ 0.3 mg (0.3 mL Epinephrine Injection, USP, 1:1000) and ALLERJECT™ 0.15 mg (0.15 mL Epinephrine Injection, USP, 1:1000) are indicated for the emergency treatment of anaphylactic reactions in patients who are determined to be at increased risk for anaphylaxis, including individuals with a history of anaphylactic reactions. Selection of the appropriate dosage strength is determined according to patient body weight. ALLERJECT™ is intended for immediate self-administration for the emergency treatment of severe allergic reactions (Type I).

CONTRAINDICATIONS

There are no absolute contraindications to the use of epinephrine in a life-threatening allergic situation.

WARNINGS AND PRECAUTIONS

As a precaution, epinephrine use should be avoided in patients with: cardiogenic, traumatic, or hemorrhagic shock; cardiac dilation; and/or cerebral arteriosclerosis; organic brain damage; narrow-angle glaucoma. Caution should be applied when administering to elderly or hyperthyroid individuals, pregnant women, and individuals with cardiovascular disease or diabetes.

General: Patients with a history of anaphylaxis are at risk for subsequent episodes and even death. All patients who have had one or more episodes of anaphylaxis should have injectable epinephrine with them or with their parent or caregiver at all times, and should wear some form of medical identification bracelet or necklace. Epinephrine injection is not intended as a substitute for medical attention or hospital care. In conjunction with the administration of epinephrine, the patient should seek appropriate medical care.

*Comparative clinical significance unknown.

Please see Product Monograph for complete warnings, precautions, adverse events and dosing information. Product Monograph available upon request or at www.sanofi.ca
