ABSTRACTS

The submitted abstracts from posters presented at the RCPsych International Congress 2023, 10–13 July are published as a special supplement to *BJPsych Open*.

Peer review process:

Abstracts were reviewed by the RCPsych Academic Faculty rather than by the standard *BJPsych Open* peer review process and should not be quoted as peer-reviewed by *BJPsych Open* in any subsequent publication.

Disclaimer:

The abstracts have been published using author-supplied copy, with only minor editing made to correct spelling, style and format where appropriate. No responsibility is assumed for any claims, instruction or methods contained in the abstracts and it is recommended that these be verified independently. Unless so stated, material in this supplement does not necessarily reflect the views of the Royal College of Psychiatrists, RCPsych Academic Faculty or Editor-in-Chief. The publishers are not responsible for any error of omission or fact.

The abstracts are Open Access, distributed under the terms of the Creative Commons Attribution licence (<https://creativecommons.org/licenses/by/4.0/>), which permits unrestricted re-use, distribution, and reproduction in any medium, provided the original work is properly cited.
