offset on an increasing scale

## The Humanity of Christ

Romano Guardini

Beginning with a strong criticism of the 'watered-down Christianity' of Modernism depicted by liberal theologians of the *Honest to God school*, Monsignor Guardini traces the life and attitudes of Jesus to a conclusion that demonstrates His being. Once again the actual content and meaning of Catholic doctrine are clarified by one of the most persuasive educators and spiritual writers of our time. 25s.

## Holy Wisdom

Augustine Baker O.S.B.

The first new edition since 1875, edited by Dom Gerard Sitwell, Master of the Benedictine St. Benet's Hall, Oxford. 42s.
