Practice*

A Pool of Teaching Experience. Edited by Rev. R. J. KNOEPFLE, S.J. 23/-

This book contains brief descriptions of teaching procedures which Jesuit school teachers found successful in the class-room.

Each article describes some teaching procedure or device which has proved successful in practice. It is hoped that every teacher who uses this book will find in it something to improve his teaching.

The topics treated are: Latin and Greek, English, Religion, Social Sciences, Physical Sciences, Classroom procedure and Public Speaking.

Moral Guidance*

A Textbook in Principles of Conduct for Colleges and Universities. By Rev. E. F. HEALY, S.J., S.T.D. 27/-

Experience shows that too many Catholics, though well educated in other matters, are regrettably ignorant about some moral questions of not a little importance.

This book has been written as a possible help to the understanding of Christian principles of morality.

Christian Guidance*

The Moral Aspects of the Sacraments, Matrimony Excepted. By Rev. E. F. HEALY, S.J., S.T.D. 24/-

College students will probably discover in these pages many points with which they were unfamiliar and not a few questions which, though seen many years ago, made little impression on the immature minds of their younger days.

My Way of Life*

Pocket Edition of St Thomas, *The Summa Simplified for Everyone*. By Rev. W. FARRELL, O.P., and Rev. M. J. HEALY. 10/6

Here for the first time is presented the masterpiece of St Thomas—the *Summa Theologica*—in a pocket edition. This vast summary of thomistic teaching which deals with every worthwhile truth from A to Z, from the attributes of God to the zeal of man has been distilled into this little volume.
