Notice to contributors

The Editors welcome articles of general interest to psychiatrists. Two thousand words is a good length; however, longer articles will be considered. Tables, diagrams and extended references should generally not be included. Please submit three copies, typed double-spaced, and using the Harvard system of referencing, as in *The British Journal of Psychiatry*. Correspondence on subjects of topical interest is also welcome. Contributions are accepted for publication on the condition that their substance has not been published or submitted for publication elsewhere. The views expressed in articles published in the *Psychiatric Bulletin* (except official College material) are the author's own and do not necessarily represent College policy.

Please note that because of the current international situation the World Psychiatric Association and Egyptian Psychiatric Association regional symposium entitled **Updating Management of Psychiatric Disorders** which was to have been held in Cairo from 17–19 January 1991 has been postponed.

The *Psychiatric Bulletin of the Royal College of Psychiatrists* is published monthly by the Royal College of Psychiatrists, 17 Belgrave Square, London SW1X 8PG. All contents © Royal College of Psychiatrists, 1990, unless otherwise stated.
