

CHAPTER XI

COMMISSIONS MEMBERSHIP (until 31 August 2012)

NOTE. This chapter gives the membership of the Commissions (listed by Commission number), as they were affiliated to the Divisions in force until the end of the XVIIIth General Assembly. As a result of the adoption of Resolution B4 by this Assembly, a new Divisional structure was established (see Chapters II and IV of these *Transactions*), to take effect on 1 September 2012. This new structure will affect the way Commissions are affiliated to Divisions in the next triennium (2012–2015).
