The above article¹ was meant to publish in tandem with “A Strategic View for Intraoperative Neuromonitoring in Canada 2017” by Wilkinson et al.² Thus, in the second paragraph, the first sentence should read “In CJN 45(3), Wilkinson et al.,¹¹ on behalf...”

In the same paragraph, the third sentence should read “CANM has already started online training.¹¹”

Additionally, the following reference should have appeared at the end of the reference list: “11. Wilkinson M, Houlden D, Morris S, Holmes LM, Strantzas S. A strategic view for intraoperative neuromonitoring in Canada 2017. Can J Neurol Sci. 2018;45(3):259-61.”

The publisher apologizes for these errors, and the reference in the original article has been added.
