## List your meeting here:

Following is a list of microscopy related meetings and courses. The editors would greatly appreciate input to this list via the electronic submission form under "events/other microscopy events" at the MSA webpage: [www.microscopy.org](http://www.microscopy.org). We will gladly add hypertext links to the notice on the web and insert a listing of the meeting in the next issue. Please furnish the following information (any additional information provided will be edited as required and printed on a space available basis):

- Meeting/Course name
- Meeting/Course dates
- Meeting/Course topic or short description
- Sponsoring society/organization/university
- Contact person
- Telephone number
- Fax number
- Email address
- URL for website

## Expand your Knowledge of Microscopy with MSA Membership!

**Whether your primary focus is in optical, electron or scanning probe microscopy, the biological or the physical sciences, MSA takes your knowledge to the next level!**

**Members Receive:**

- A personal subscription to MSA's official journal, *Microscopy and Microanalysis*, and MSA's popular bi-monthly magazine, *Microscopy Today*.
- Peer Networking through the Society's Focused Interest Groups and Local Affiliated Societies.
- Plus discounts on books, journals and other educational materials.
- MSA Awards Programs, Scholarships, Speaker Opportunities, and much more!

**Join MSA Today!**
