The same book review was erroneously published twice, once in *Medical History*, vol. 56, issue 1, pp. 107–108¹ and again in *Medical History*, vol. 56, issue 3, pp. 410–411.² Subsequently it is necessary to retract the second appearance of the review in favour of the first for there to be a single version of record. The Press and the Editors apologise to the author and readers for this mistake.
