

ANNOUNCEMENT

STUDENT MEMBERSHIP AND SUBSCRIPTION

It was voted at the September, 1937 meeting of the Psychometric Society to provide for student memberships, including a subscription to *Psychometrika*, at the rate of \$3.00 per year. The regular rate for full membership is \$5.00 per year. The student member has all the privileges of a full member of the Society, except the right to vote. A person may hold a student membership for not more than three years. Applicants must have their student status certified by a faculty member. Applications will be acted upon at the annual September meetings of the Society. Pending such action, subscription to the journal will start upon payment of \$3.00.

Application blanks may be secured from
