

## *New and Noteworthy*

### **Revolutionary Vanguard**

The Early Years of the Communist Youth International 1914-1924  
*Richard Cornell*

The Communist Youth International is revealed here as an important example of the 'autonomist' tendencies in the communist movement after the First World War. Cornell considers the relevance of untempered idealism, a predisposition to embrace radical alternatives, and a rebelliousness against traditional adult teachings in the development of radical movements among the young, and how they led to conflict with more pragmatic adult party leaders. \$35.00

### **Resolutions and Decisions of the Communist Party of the Soviet Union**

Volume 5: The Brezhnev Years 1964-1981  
*Donald V. Schwartz*

Leonid I. Brezhnev's consolidation of power and the limits set on his rule are documented through leadership changes, institutional reforms, and policy developments of the past seventeen years. What emerges is a picture which conveys the flavour of oligarchic and bureaucratic politics which came with Brezhnev's style of leadership. \$37.50

### **Massa's Short History of the Muscovite Wars**

*Translated with an introduction by G. Edward Orchard*

For Russia, the opening decade of the seventeenth century was one of great turmoil. Political unrest was compounded by natural calamity. Eyewitness to the momentous events of the period was Isaac Massa, a merchant apprentice from the Netherlands who spent eight years in Moscow. His astute accounts appear here in their first English translation. \$37.50

### **Fighting Words Imperial Censorship and the Russian Press 1804-1906** *Charles A. Ruud*

Censorship took many forms in Imperial Russia. This study focuses on the main one: the governmental system which screened written works before or after publication to determine their acceptability. Ruud shows that the government came to grant far more extensive publishing freedom than most Westerners realize. He also reveals that, having granted the press a position recognized in law, the government fell far short of implementing this reform and contributed to growth of opposition to the Tsardom. \$30.00

## TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Manuscripts for consideration should be submitted in **four**, double-spaced copies. Footnotes should be double-spaced and placed at the end of the manuscript. Manuscripts are sent to referees anonymously and should be prepared accordingly. Library of Congress transliteration should be used. In general, articles should not exceed twenty-five pages. Manuscripts will not be returned unless postage is provided.

The policy of the *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

Publication of articles in the *Slavic Review* is ordinarily limited to those submitted by members of the AAASS. Nonmembers wishing to submit manuscripts are asked to request a membership application.

### **THE ECONOMICS OF FEASIBLE SOCIALISM**

**Alec Nove**

One of the world's foremost Soviet scholars presents a readable and controversial discussion of defects found in socialist economies, along with an outline of possible remedies and reforms necessary to achieve an efficient and human socialism. *Essential reading for anyone concerned with evaluating the relevance of Marxism to contemporary social and economic problems.*

### **KHRUSHCHEV AND BREZHNEV AS LEADERS:**

**Building Authority in Soviet Politics**

**George W. Breslauer**

Already hailed as a major contribution to the understanding of the nature of policy divisions and of central leadership in the Soviet Union, this thorough and perceptive analysis of the two leaders' speeches compares the strategies they embraced in building authority and in manipulating policy appeals and personal images to increase elite confidence in their leadership.

### **THE END OF SOCIAL INEQUALITY?**

**Class, Status and Power Under State Socialism**

**David Lane**

The best available analysis of the true role of class stratification in state socialist societies and in particular the Soviet Union. Professor Lane's discussion ranges over such aspects as income and education differentials, the rise of white-collar occupations, the position of women and ethnic groups, and social mobility.
