United Kingdom Government Studentships

Plans are now being formulated for the development, with government financial aid, of university departments for Oriental, Slavonic, East European and African studies. In consequence, post-graduate studentships are to be awarded to men and women intending to follow a career of teaching and research in these studies in the United Kingdom.

The Treasury Committee for Studentships in Foreign Languages and Cultures have invited universities in the United Kingdom to make applications for studentships on behalf of candidates whom they sponsor. Persons interested should therefore communicate with the university under the supervision of which they propose to study. Applications made by candidates direct to the Treasury Committee cannot be considered. Information on existing facilities for study will be found in the Foreign Office Report of the Interdepartmental Commission of Enquiry on Oriental, Slavonic, East European and African Studies (H.M. Stationery Office: April, 1947: 3s. net).

With exceptions where specially recommended, candidates must hold a first class honours degree of a university within the British Commonwealth, and must not be over 35 years of age. The period of the awards will be from three to six years: one-third will be spent in the countries to which the studies relate. After a minimum probationary period of twelve months during which fees and adequate maintenance allowance will be paid, successful students will be awarded senior studentships. These will include payment of fees and of an allowance, subject to tax, of £440 to £500 per annum with annual increments of £15 per annum. Where specially recommended, senior studentships may be awarded initially. Overseas allowance will be paid and travelling expenses met. Detailed information may be obtained from the Secretary, the Treasury Committee for Studentships in Foreign Languages and Cultures, Treasury Chambers, Great George Street, London, S.W. 1.
