Antai College of Economics & Management
Shanghai Jiao Tong University

Shanghai Jiao Tong University

Established in 1896, Shanghai Jiao Tong University (SJTU), formerly named Nanyang Public School, is a comprehensive and research oriented national key institution. SJTU not only has enjoyed the nationally renowned reputation for the engineering, but has made tremendous progresses in economics and its related fields in recent decades.

Antai College of Economics & Management

Antai College of Economics & Management (ACEM), a leader of China's premier business schools, offers a comprehensive range of high quality degree-granting programs to non-degree ones. ACEM's MBA, EMBA and Masters in Management program was ranked 55th, 17th and 44th respectively by the Financial Times (2014-2015). As the only business school in China mainland accredited with the highest honor of AACSB, EQUIS and AMBA, ACEM aims to develop and enhance the managerial talents, with the international vision and the practical thinking in the global business environment.

Academic Achievements

In the past few years, ACEM has undertaken a series of consulting projects for both government departments and enterprises, including major projects under the National Youth Science Foundation and the National Natural Science Foundation, and important scientific research projects under the National Social and Natural Science Foundation, and the National High-Technology Development Plan. The quantity of research papers published domestically and internationally in prestigious journals is growing steadily, reflecting the academic achievement of ACEM's professors.
