

Proceedings of the Prehistoric Society 49, 1983

Valley Sediments as Evidence of Prehistoric Land-Use
on the South Downs

By Martin Bell

Microfiche pages 1 - 59

MICROFICHE CONTENTS

- 1 - 4 List of diagnostic sherds from Kiln Combe.
5. The numbers and proportions of the main types of artifact in Kiln Combe, flints excepted.
- 6 The numbers and proportions of the main types of flint artifact in Kiln Combe.
- 7 - 8 Brief report on retouched pieces among the Kiln Combe flints by Frances Healy.
- 9 Illustrations of flint tools for which second millennium parallels are quoted. Scale $\frac{1}{2}$.
- 10 Mineralogical composition of coarse silt from Layer 3 in Kiln Combe compared to other coarse silt samples of supposed loessic origin. Table prepared by Dr. J. Catt.
- 11 Kiln Combe: table of Mollusca from Column 2 and the subsoil hollow.
- 12 Kiln Combe: table of Mollusca from Column 1 and the lower and upper chalk bands (Layers 7 and 10).
- 13 The numbers and proportions of artifact types in Itford Bottom, Trench B, and also the artifacts from Trench A and the field system surface scatter.
- 14 - 17 List of diagnostic sherds from Itford Bottom.
- 18 Itford Bottom: distribution of flint tools.
- 19 Itford Bottom: distribution of flint flakes.
- 20 Itford bottom: table of mollusca from Column 2.
- 21 Itford bottom: table of Mollusca from Column 1.
- 22 The location of the soil pits and trenches at Chalton.
- 23 The numbers and proportions of the artifact types in Chalton, Trench A.
- 24 Chalton, Trench A: section of sediments and the distribution of flint artifacts and prehistoric pottery.

25	Chalton, Trench A: the distribution of Romano-British, Medieval and Post-Medieval artifacts.
26	Chalton, Trench A: table of Mollusca.
27	The numbers and proportions of the artifact types in Chalton, Trench B.
28 - 40	Chalton, Trench B: description of the artifact types and their distributions.
41 - 48	Chalton, Trench B: the artifact distributions.
49 - 54	List of diagnostic sherds from Chalton, Trench B.
55 - 57	Micromorphological report on Chalton B Layer 3 by Dr. R. Macphail.
58	Chalton, Trench B: table of Mollusca.
59	Chalton, Trench B: Mollusc diagram.
