## The Poetics of Eros in Ancient Greece

Claude Calame

*Translated by Janet Lloyd*

*The Poetics of Eros in Ancient Greece* offers the first comprehensive inquiry into the deity of sexual love, a power that permeated daily Greek life. Claude Calame begins by showing how poetry and iconography gave a rich variety of expression to the concept of Eros, then delivers a history of the deity's roles within social and political institutions, and concludes with a discussion of an Eros-centered metaphysics.

Through analyses of Greek language and practices, Calame offers a fresh, subtle reading of relations between individuals as well as a fascinating overview of Eros in Greek society at large.

Cloth \$35.00 £21.50 ISBN 0-691-04341-8

*New in paperback*

## The Athenian Revolution

Essays on Ancient Greek Democracy and Political Theory

Josiah Ober

"By confronting critically an alien way of thinking, doing, and speaking politics that is nevertheless also the fountainhead of our own Western political tradition, Ober provides a wide range of readers with a truly unsettling and therefore properly educational experience."

—P. A. Cartledge, University of Cambridge

"*The Athenian Revolution* is a welcome collection. . . . Interesting and witty introductions place the articles in personal and scholarly context."—Peter Krentz, *Religious Studies Review*

Paper \$14.95 £8.95 ISBN 0-691-00190-1
