SEVENTH BRITISH ACADEMIC CONFERENCE

GLASGOW 1987

POSTERS

Participants are invited to submit applications to mount a poster display as part of the Scientific Exhibition at the above Conference. Depending on the number of submissions it may be necessary for the Academic Committee to limit the number of posters displayed.

Correspondingly it is requested that an abstract of what it is intended to demonstrate should accompany the application, along the following lines:

- Name, address and academic position of applicant.
- Abstract of poster, written in English, in not more than 250 words.
- All to be typed on *one* side of paper (A4 preferably).
- To be sent to Mr G. G. Browning, University of Glasgow, Department of Otolaryngology, Royal Infirmary, Glasgow G4 0SF so that it is in his hands by 31 March, 1987.

The Academic Committee will inform applicants by 30 April, 1987 whether space allows inclusion of their poster. Full details of the display system, siting and timing will be made at that time, but the module size of the background cards for display will be A1 (841×594 mm) with a maximum of 6 per applicant/poster.

SEVENTH BRITISH ACADEMIC CONFERENCE

IN OTOLARYNGOLOGY

GLASGOW 1987

VIDEOS

Participants are invited to submit video tapes prior to the Conference to the Academic Committee for consideration for inclusion in the video programme. A tape would have to satisfy the following requirements:

- Be recorded on U-Matic.
- Last no longer than 15 minutes.
- Commentary to be in the English language.
- Be in the hands of Mr G. G. Browning, Glasgow University Department of Otolaryngology, Royal Infirmary, Glasgow G4 0SF by 31 March 1987.

The Academic Committee will inform participants by 30 April 1987, of the results of their selection and will issue a provisional programme. Presenters of the tape will be expected to be in attendance at the time of replay to answer questions.
