

General notes

UNIVERSITY OF LONDON
BRITISH POSTGRADUATE MEDICAL FEDERATION
THE INSTITUTE OF LARYNGOLOGY AND OTOTOLOGY
330/332 GRAY'S INN ROAD, LONDON, W.C.1.

WHOLE-TIME COURSES FOR POSTGRADUATE STUDENTS

15 February–22 May 1971 and 2 August–6 November 1971

BASIC SCIENCES CLASS for Part I D.L.O. students.

This consists of approximately 50 lecture/demonstrations on the anatomy of the head, neck, thorax and brain; 20 lectures covering the physiological aspects; 6 on applied pharmacology; and 8 on histological and pathological and bacteriological subjects. Facilities are also available for dissection of the brain, and this occupies about five periods.

15 February–12 March 1971 and 2 August–27 August 1971.

BASIC SCIENCES CLASS for Students of Neurology.

This course includes 20 lectures on the anatomy of the brain, spinal cord and motor tracts, 6 lectures on the physiological properties and 5 periods of dissection of the brain.

4 January–13 February 1971 and 28 June–7 August 1971

INTENSIVE CLINICAL LECTURE PERIOD for Post-Primary Fellowship, Part II D.L.O. and other students.

These periods are primarily designed to give a clinical survey of the whole field of the Specialty as a preliminary to practical clinical training. At the completion of the Intensive Lecture Period, selected students may be given the opportunity to serve as house surgeons in the associated hospitals.

17 May–29 May 1971 and 3 November–16 November 1971

PRACTICAL REVISION CLASS for Part II D.L.O. students.

This is intended for those students who are well advanced in preparation for the examination and need only the opportunity for a final review. The class includes demonstrations of selected clinical cases and viva voce examinations.

General notes

22 March–3 April 1971 and 27 September–9 October 1971

ADVANCED REVISION COURSE for students taking higher surgical examinations.

This is limited to senior students who are about to take the Final examination. In addition to a series of lecture/discussions at the appropriate level in the Specialty and in related branches of general surgery, there are a number of clinical and viva voce sessions and arrangements for the setting and correction of test papers.

A copy of the syllabus giving full information about the teaching and research facilities provided by the Institute, and a detailed programme of any of the courses listed below and of the short courses on specific aspects which are arranged from time to time can be obtained from the Secretary-Administrator.

The clinical practice can be joined at any time by individual arrangement with the Dean. This includes daily practical teaching in the clinics and operating theatres and ward-rounds and special demonstrations weekly.

Demonstrations of clinical cases, open clinical lectures and clinical pathological conferences are held at regular intervals throughout the year, and are open without fee to all trainees in the Specialty. A list giving dates and times is obtainable in the Secretary-Administrator's office.

GUEST LECTURES AT AN ADVANCED LEVEL

Open to all members of the Specialty and to postgraduate students (whether enrolled students of the Institute or not)

Thursday, 3 December 1970 at 5.30 p.m. at the Royal College of Surgeons.

DR. P. BORRIE (London). 'Facial and buccal ulceration.'

Thursday, 4 February 1971 at 5.30 p.m. at the Royal College of Surgeons.

DR. G. A. S. LLOYD (London). 'Recent advances in radiology of the orbit and paranasal sinuses.'

Monday, 8 February 1971 at 5.30 p.m. at the Institute.

DR. G. A. SIGNY (London). 'Recent advances in haematology.'

Thursday, 4 March 1971 at 5.30 p.m. at the Royal College of Surgeons.

DR. D. F. EGAN (London). 'Communication problems in children.'

Thursday, 6 May 1971 at 5.30 p.m. at the Royal College of Surgeons.

DR. P. STRADLING (London). 'Diagnostic bronchoscopy.'

Monday, 10 May 1971 at 5.30 p.m. at the Institute.

DR. F. R. GUILDFORD (Houston, U.S.A.). 'Tympanoplasty 1971.'

General notes

SHORT COURSES FOR CONSULTANTS AND SENIOR REGISTRARS

5 December 1970

Modern Diagnostic Techniques in Otology.
(Acoustical, Electro-Physiological and Radiological.)

7, 8, 9, 10, 11, 12 December 1970

Practical Surgery of the Nose and Throat, Head and Neck.

14, 15, 16, 17, 18, 19 December 1970

Practical Aural Surgery.

2, 3, 4 March 1971

Diagnosis and treatment of the deaf child.
(Open also to Medical Officers of Health of Public Authorities.)

19, 20 March 1971

Pathology of the ear, nose and throat.

1 month commencing 1 June 1971

Post-Fellowship Advanced Specialty.
Training Course in Otolaryngology.
(Consultants and Registrars in the National Health Service are eligible for grant of study leave with pay and expenses to attend these Courses.)

5 June 1971

Modern Diagnostic Techniques in Otology.
(Acoustical, Electro-Physiological and Radiological.)

7, 8, 9, 10, 11, 12 June 1971

Practical Surgery of the Nose and Throat, Head and Neck.

14, 15, 16, 17, 18, 19 June 1971

Practical Aural Surgery.

NON-MEDICAL COURSES

4 December 1970

Refresher course of qualified audiology technicians.

12, 13, 14 May 1971

Hearing and Mental assessment of the deaf child—for psychologists.
(The number of entries is limited in each course. A detailed syllabus of the above is obtainable on application from the Secretary-Administrator.)

General notes

THE THIRD BRITISH ACADEMIC CONFERENCE IN OTOLARYNGOLOGY, 1971

The Third British Academic Conference in Otolaryngology will take place in Edinburgh from 18–23 July, 1971.

Further notices will appear from time to time.

J. W. Dixon,
For the General Committee,
British Academic Conference in Otolaryngology, 1971.

THE FOURTH WORKSHOP ON MICROSURGERY OF THE TEMPORAL BONE

will be held at

NORTHWESTERN UNIVERSITY IN CHICAGO, ILLINOIS

21–26 MARCH 1971

Address inquiries to: George E. Shambaugh, Jr., M.D., Executive Secretary, Mid America Hearing Research Foundation, 55 East Washington Street—Suite 3700, Chicago, Illinois 60602.

Attention: FOURTH WORKSHOP.

SECOND ASIA-OCEANIA CONGRESS OF ORL

The Second Asia-Oceania Congress of Otorhinolaryngology will take place in Taipei, Republic of China, 14–17 November 1971. Interested ORL colleagues are cordially invited. For further information please contact Professor Wen-chih Hung, Secretary General, Dept. of Otolaryngology, National Taiwan University Hospital, 1 Chang-te Street, Taipei, Taiwan, Republic of China.

SYMPOSIUM ON OTOPHYSIOLOGY

20–22 MAY 1971

An International Symposium on Otophysiology will be held at the University of Michigan, Ann Arbor, on 20–22 May, 1971. The Symposium will be sponsored by the S. S. Kresge Foundation and the Deafness Research Foundation, and by the Departments of Otorhinolaryngology and Postgraduate Medicine and the Kresge Hearing Research Institute, University of Michigan Medical School. For information write to Merle Lawrence, Ph.D., Director, Kresge Hearing Research Institute, 1301 East Ann Street, Ann Arbor, Michigan 48104.

General notes

THE OTOLARYNGOLOGY SOCIETY OF AUSTRALIA

THE 21ST ANNUAL GENERAL AND SCIENTIFIC MEETING

WILL BE HELD IN ADELAIDE:

17-21 MAY 1971.

Guest speakers will be Professor Hans Engström, Professor Dietrich Plester, Dr. John Conley and Mr. Henry Shaw.

Enquiries should be directed to the Organizing Secretary:

Dr. Maurice W. Brown,
45, Northcote Terrace,
Medindie,
South Australia, 5081.

UNIVERSITY OF NIJMEGEN, HOLLAND

POST GRADUATE COURSE IN EAR SURGERY

The Department of Otolaryngology, University of Nijmegen, Holland desires to announce that the 6th postgraduate course in ear surgery will be held from 18th to 24th April 1971. The course will be organized by Professor W. F. B. Brinkman and his Staff, assisted by Dr. H. C. Overbosch, Holland; Dr. Y. Schepens, Belgium; Dr. W. Offermann, Germany; Mr. J. D. K. Dawes and Mr. I. B. Thorburn, Great Britain.

The course which will be given in English, will include lectures, panel discussions, films, televised operations, temporal bone dissections and studies of anatomical specimens.

The fee of 1250 D.Fl. (£150 approx.) will include hotel accommodation and meals. The course is intended for certified E.N.T. specialists (or for Consultants and Senior Registrars) and registration will be limited to 20. For further details and an application form please write to Professor Dr. W. F. B. Brinkman, Department of Otolaryngology, Geert Groote Plein Zuid 22, Nijmegen, Holland.

RESEARCH FELLOWSHIPS IN OTOLARYNGOLOGY

The Department of Otolaryngology (Chairman: Professor D. P. Bryce), University of Toronto, Canada, offers two Research Fellowships for the study of problems related to Laryngeal and Pharyngeal Cancer and Reconstructive Head and Neck Surgery. These Fellowships are tenable for one year as from 1 July 1971. Candidates should be of middle/senior registrar grade and have passed a Final Fellowship examination.

Salary is dependent upon qualifications and experience. Apply in writing, naming three referees to John M. Frederickson, M.D., F.R.C.S.(C), F.A.C.S., Associate Professor, Room 7310, Medical Sciences Building, University of Toronto, Department of Otolaryngology, 1 King's College Circle, Toronto 5, Ontario, Canada.

General notes

EDINBURGH POST-GRADUATE BOARD FOR MEDICINE OTORHINOLARYNGOLOGY

A special one-week course in Otorhinolaryngology suitable for students proceeding to the F.R.C.S.E. with this as special subject will be held from 3rd to 7th May 1971. The Fee for the Course is £7.

This course is run in conjunction with the course in Surgery held from 25th January to 7th May 1971. Students may enrol on the Surgery course, including Otorhinolaryngology, or enrol on the short course independently.

Applications to the Post-Graduate Dean, Edinburgh Post-Graduate Board for Medicine, Pfizer Foundation, Hill Square, Edinburgh EH8 9DR.
