(First published online 2 August 2023)

It is with great sadness that we announce the passing of Professor Maria Rosa Antognazza, an esteemed member of our journal's editorial board, on Tuesday, 28 March, after a short illness. Professor Antognazza was a former president of the British Society for the Philosophy of Religion and an accomplished scholar in the philosophy of religion, the history of philosophy, and epistemology. She authored numerous books, including *Leibniz: A Very Short Introduction* (Oxford University Press, 2016), *Leibniz: An Intellectual Biography* (Cambridge University Press, 2009), *Leibniz on the Trinity and the Incarnation: Reason and Revelation in the Seventeenth Century* (Yale University Press, 2007), and *Thinking with Assent: Renewing a Traditional Account of Knowledge and Belief* (Oxford University Press, forthcoming). We extend our deepest sympathies to her family, friends, and colleagues during this difficult time.
