

ERRATUM

Temporal large-scale intermittency and its impact on the statistics of turbulence – ERRATUM

Lukas Bentkamp and Michael Wilczek

doi:10.1017/jfm.2024.700, Published by Cambridge University Press, 6 February 2025

Key words: intermittency, turbulence theory

Cambridge University Press apologises that the version of this article first published was not the finalised version. This has now been replaced with the finalised version.
