NATIONALITIES PAPERS is the only journal in the world which deals exclusively with all nationalities of the former USSR, and also with national minorities in Eastern and Central European countries. The problems and importance of over 140 million people are treated with the disciplinary and methodological contexts of Post-Soviet and Europe-Asia studies. Of central concern is the fate of the Balts, Ukrainians, Jews and the peoples of Central Asia and the Caucasus. *Nationalities Papers* is an international and multidisciplinary journal with contributors and readers throughout North America, Western and Eastern Europe, the Far East, Japan and the People's Republic of China. Included in each general issue are in-depth analyses from the historical view, updates on latest developments, some original documents, and book reviews; some issues concentrate on a region or nationality as a special topic, which exclusive focus allows for more extensive and detailed information.

Submission of manuscripts. For information on submitting manuscripts, write to: Professor Henry R. Huttenbach, Editor-in-Chief, *Nationalities Papers*, Department of History, The City College of New York, 138th Street and Convent Avenue, New York, NY 10031, USA.
