1996 Mid-Year Meeting
July 10 - 15, 1996
Loews Coronado Bay Resort
San Diego, California

CALL FOR ABSTRACTS

General Information

Submission Deadline: April 15, 1996

The National Association of EMS Physicians is now accepting abstracts for review for oral and poster presentation at the NAEMSP 1996 Mid-Year Meeting. Authors are urged to submit original work involving EMS or resuscitation research. The full spectrum of EMS and resuscitation research will be considered including basic science, clinical, health services research, epidemiological, operational and educational studies. Physicians, research scientists, out-of-hospital care providers and administrators are all encouraged to submit their work.

Manuscripts resulting from submitted abstracts must not appear in a refereed journal prior to the publication of the meeting abstracts in *Prehospital and Disaster Medicine*. Abstracts presented at other national meetings within 90 days of the NAEMSP Mid-Year Meeting will be considered for presentation.

All abstracts must be submitted on the official abstract form, and must be received no later than **April 15, 1996**.

Cash Award Information

Cash awards will be given for Best Resident/Fellow Presentation, Best Scientific Presentation, and Best Poster Presentation. Awards will be presented at the 1996 Mid-Year Meeting.

To obtain official NAEMSP abstract forms, call the National Association of EMS Physicians at (412) 578-3222 or (412) 578-3245.

NAEMSP Merchandise

Show your true colors by wearing our new NAEMSP line of apparel, available for sale at any NAEMSP meeting or by special order. Quantities are limited, so order today!

Flannel Lined Pullhood: NEW for 1996, NAEMSP is offering this pullhood in navy with islander plaid in the hood, placket and pocket linings. The NAEMSP logo is embroidered in white, grey, red and navy. This item will be available in January 1996 for only \$48!

Baby Rompers: We didn't want future NAEMSP members to go unnoticed, so we offer these quality Oneita baby rompers for our little ones. This item will be available in January in a rainbow of colors (ash, bubble gum, mellow yellow and navy) for \$16.

Baseball Caps: They were so popular in 1995 that we are extending the availability of these caps into 1996! These attractive baseball caps will be available in January in grey canvas with a navy brim and a navy, grey and white NAEMSP logo for \$13.

Golf Shirts: Show your allegiance to the EMS community while you're on the green with the NAEMSP 100% combed cotton golf shirt! The 2" logo is printed in grey, white and aqua on the upper left side of the shirt. This item makes a great gift for the golfer physician at \$27.

T-Shirts: The NAEMSP long sleeved t-shirt is a very hot item with our members...so hot we only have a few left. The shirt is 100% cotton with "NAEMSP National Association of EMS Physicians" printed in aqua on the upper left side of the shirt. The back of the shirt boldly displays a large NAEMSP logo in grey, white and aqua. These shirts are available for just \$15.

Pins: A new addition to the NAEMSP clothing line is our enamel logo pins which can be proudly displayed almost anywhere. These pins are classically designed in aqua and grey with gold trim and lettering. Show that you have a touch of class by wearing your NAEMSP logo pin everywhere you go! Member price is only \$4.

All of the above items are available by calling the NAEMSP offices at (412) 578-3222; by faxing your request to (412) 578-3241; by e-mail at NAEMSP@ISD.UPMC.EDU or by mail at:

EMS Management: Beyond the Street

Joseph J. Fitch, PhD; Rick Keller, EMT-P; Doug Raynor, PhD; and Chris Zalar, RN

From abstract topics, like understanding the changing work force, to practical matters such as disciplinary action, this sequel covers all the areas successful EMS managers need to know.

The authors discuss everything from finance to operations—from kickbacks to handling the media—in a writing style that's easy to follow. Whether you're a longtime administrator or someone who's just now aspiring to move "beyond the street" into management ranks,

you'll want to own this bigger and better second edition of an EMS management best seller. PB, 432 pages.

Prehospital Systems and Medical Oversight

National Association of EMS Physicians and National Resource Center; Alexander Kuehl, MD, Editor

A revision of the *EMS Medical Directors' Handbook*, this second edition includes: a broad overview of EMS; a historical perspective and mechanisms for the provision of medical oversight; operational issues; comprehensive glossary. Infectious diseases, quality management, and legal issues are only a few of the topics covered in this text's 48 chapters. Ideal for professionals involved in the medical aspects of designing, implementing, and operating EMS systems. 2nd edition. PB, 492 pages.

Prehospital Care Administration: Issues, Readings, Cases

Joseph J. Fitch, PhD

This work is a blend of original and previously published articles from key professional journals and trade magazines. The text serves as a ready reference for every EMS administrator. Topics covered range from handling human resource issues to reimbursement and EMS system design. More than 100 articles represent both landmark cases shaping the profession as well as original articles which offer new insights for the future. *Prehospital Care Administration* is edited by Joseph J. Fitch, founder of Fitch and Associates, Inc., the most widely utilized EMS medical transportation firm in North America.

Shiftwork Safety and Performance Manual

Peggy Westfall, Glenn McBride

The subject of shiftwork has emerged as a most important subject of this decade. *Shiftwork Safety and Performance Manual* is designed for managers, supervisors and trainers of our 24-hour performers, those working people who commit to "time travel" around the 24-hour clock. Built in to this manual are extensive communication tools and references to help you train the most important people — your employees and your boss! 3-Ring binder format.

NAEMSP Seeks Journal Editor

The National Association of EMS Physicians is seeking a talented, energetic leader to serve as Editor of a quality peer reviewed journal dedicated to the disciplines of out of hospital emergency medical care and disaster medicine.

The mission of the editor will be to develop a referenced journal to support the scientific investigation and growth of these disciplines, as well as the education of all EMS professionals.

The ideal candidate will be an experienced, knowledgeable practitioner in EMS and disaster medicine, and a successful researcher.

He/she will have prior editorial experience and excellent analytical skills and outstanding leadership and organizational skills.

The editor will have the ability to develop a dynamic editorial board and facilitate the growth of researchers.

Interested candidates should forward a CV to:
Robert Swor, DO, Chair, Search Committee,
National Association of EMS Physicians,
230 McKee Place, Suite 500, Pittsburgh, PA 15213
(800) 228-3677.

NAEMSP

Even though the organization is called the National Association of EMS Physicians, paramedics, EMTs, educators, nurses and other EMS professionals have always played a role in NAEMSP.

NAEMSP is the leading national professional organization today for out-of-hospital emergency medical care. It brings together physicians from all specialties in the House of Medicine and non-physicians from every discipline, to work on a common goal:

Improving the Quality of Out-of-Hospital Emergency Medical Care
