

Erratum

In Laura White's book review of *Studio Shakespeare: The Royal Shakespeare Company at the Other Place* (TRI 32:3, p. 329), the third paragraph refers to the Other Place's founder, Buzz Goodbody, as 'him', accidentally altering her gender as a result of an editorial change. The Book Review Editor wishes to apologise for this mistake, and to clarify that this was entirely the editor's, and not the reviewer's error.
