Interdisciplinary Approaches to International History and Politics

Interdisciplinary Approaches to International History and Politics is pleased to announce the launch of its web site (www.asu.edu/clas/polisci/ihap/), which features syllabi and meeting information. Also, information on joining IHAP was omitted from the APSA membership form in the March 2000 issue of *PS*. APSA has apologized for this oversight. Section dues are \$5 a year and interested individuals are encouraged to use the form in this issue of the journal to request section membership.

Political Methodology

Annual dues for membership in Political Methodology, which include subscription to *Political Analysis*, are \$25. This amount was incorrectly listed on the membership form included in the March 2000 issue of *PS*.

Foundation of Political Theory

The Foundations home page can now be found at www.political-theory.org. The site features section-related material, including copies of current and previous newsletters, and links to theory-oriented sites. Visitors can also view and purchase recently published works in political theory through a link with Amazon.com.
