

ERRATA

In issue 48.1–2 (2014), Karen Pinto's affiliation in her review of Houari Touati's *Islam and Travel in the Middle Ages* (pp. 114–116) was incorrectly identified as Gettysburg College. Her correct affiliation is Boise State University. I regret the error and apologize to Dr. Pinto. ✂

In issue 48.1–2 (2014), the review of Abbas Daneshvari's book (pp. 75–77) incorrectly gave the title as *Of Dragons and Serpents in Islamic Art: An Iconographic Study*. The correct title is *Of Serpents and Dragons in Islamic Art: An Iconographic Study*. I regret the error and apologize to Dr. Daneshvari. ✂

Carine Bouget's review of *Israeli–Palestinian Conflict in the Francophone World* (2010) by Nathalie Debrauwer-Miller is published in the current issue (49.1). It was originally scheduled to appear in issue 45.2 (winter 2011) but was misplaced during the transition between editors in 2011. I regret the error and apologize to Dr. Bouget. ✂
