The Theatre of Medieval Europe

New Research in Early Drama

Edited by **ECKEHARD SIMON**

This volume brings together the work of internationally recognised scholars to give a comprehensive account of the early drama of Europe, including Latin musical and liturgical drama and to address both the archival and stage-orientated aspects of theatre research.

The Cambridge Companion to English Renaissance Drama

Edited by **A. R. BRAUNMULLER** and **MICHAEL HATTAWAY**

This book offers students factual and interpretive material about the principal theatres, playwrights and plays of the most important period of English drama, 1580–1642. Extensive biographical and bibliographical sections detail the work of the dramatists discussed and suggest the best sources for further study.

Petrushka: The Russian Carnival Puppet Theatre

CATRIONA KELLY

This study, the first in English, traces the development of the Petrushka puppet play from its street origins to the literary, theatrical and agitprop adaptations that followed, and shows how the different versions shed light on Russian cultural life and social history.

Oscar Wilde and the Theatre of the 1890s

KERRY POWELL

In this study, Wilde's plays are considered in relation to the popular theatre of the 1890s, both in England and on the Continent. As well as providing revealing insights into the moral attitudes of the time, Professor Powell examines the work of other dramatists, including Lady Violet Greville and Sydney Grundy.
