

## ERRATUM

### A windy day in a sheep saleyard – an outbreak of Q fever in rural South Australia – ERRATUM

B. A. O'CONNOR, I. G. TRIBE AND R. GIVNEY

doi: 10.1017/S0950268814001083, Published by Cambridge University Press, 9 May 2014; first published online 27 May 2014.

In the article by O'Connor BA, et al. [1], there was an error in the key in Figure 2. The publisher apologises for this error and Figure 2 is shown below with the correct key.

**Fig. 2.** Cases of Q fever by week of onset of symptoms and attendance at saleyard, November 2004–January 2005, South Australia.
