FROM THE COEDITORS OF *LATIN AMERICAN ANTIQUITY*

The Coeditors of *Latin American Antiquity* have decided to change two aspects of editorial policy that we had recently announced. Therefore:

1) Authors may be allowed to publish without restriction of frequency. If you submit an article and it passes review and you or any of your coauthors have published recently in *Latin American Antiquity*, we will publish it as soon as a place in the queue opens up.

and

2) Membership is not a requirement for authorship in the journal. Of course, we encourage everyone to join the SAA but recognize this can be a burden on some, so even if you are not a SAA member, we will publish your paper if it passes review.
