

## A TRIBUTE TO RENEE KRA: *RADIOCARBON* MANAGING EDITOR FOR 30 YEARS

Renee and Doug Harkness (the cowgirl and the kiltie) sample Scotch whiskey near Loch Lomond, Scotland during a mixer at the 1994 LSC Conference.

An author begs Renee for a later submission deadline at the June 1988  $^{14}\text{C}$  Conference in Dubrovnik, Yugoslavia.

Left: Renee is caught by surprise while dancing with Gordon Cook during the Second International Symposium on  $^{14}\text{C}$  and Archaeology in Groningen, the Netherlands, in September 1987. Right: Renee tours Helsinki in May 1990.

Left: Renee is joined by friends in June 1990 at the University of California Lake Arrowhead Conference, the proceedings of which were published jointly by *Radiocarbon* and Springer-Verlag in *Radiocarbon After Four Decades*. Former Editor Austin Long is seated to her left. Right: A clearly labeled Renee prepares to board a tour bus during the August 1979  $^{14}\text{C}$  Conference in Bern and Heidelberg, Germany (apologies for the photo quality).
