

Calling Leadership Teams for 2014

APSA is currently soliciting applications from political scientists interested in serving as co-leaders for the 2014 APSA Africa Workshop. Submissions must come from a team of two US-based and two Africa-based scholars. Those applying to be co-leaders must propose a workshop theme, location, and African institutional partner. The application deadline is November 1, 2013. For more information, visit the Africa Workshop website or contact Andrew Stinson at africaworkshops@apsanet.org. ■

Alumni Networking Grants Available

APSA is now accepting grant applications under a new program specifically for Africa Workshops alumni. With support from the Andrew W. Mellon Foundation, up to \$30,000 is available each year to support the participation in professional development opportunities, facilitate networking potential, and encourage collaboration among scholars and academic institutions across Africa. Applications are now being accepted for three types of grants: professional development grants, workshop grants, and publication grants. Questions on the alumni networking grants program should be directed to Andrew Stinson at africaworkshops@apsanet.org. ■
