

JESUS AND THE SON OF MAN

By *A. J. B. Higgins*—This pioneer work is destined to become a handbook in its field. Summarizing decades of research, this detailed study of the title "Son of Man" explores every occurrence of this reference to Jesus found in the New Testament. Through his work the author shows that the resurrection is crucial in any attempt to trace the genesis of the Son of Man sayings. \$4.25

GOD AND TEMPLE

By *R. E. Clements*—The Jerusalem temple, more than any other institution of Ancient Israel, was the center of a faith that asserted that Yahweh, God of Israel, was lord of the whole earth. This is the conclusion of this detailed inquiry into the meaning and theological significance of the Jerusalem temple as a witness to the presence of God. \$3.75

ENCYCLOPEDIA OF BIBLE CREATURES

By *V. Møller-Christensen, K. E. Jordt Jørgensen* — Every known creature mentioned in the Bible is covered in this functional and artistically designed reference book printed in two-color. Profusely illustrated with line drawings and half-tones the volume contains scientific terms and explanations as well as two complete indexes, one of the creatures themselves and the other of scriptural references. \$6.75

A HISTORY OF CHRISTIAN THOUGHT VOL. I

By *Otto W. Heick*
A thorough revision of the older edition of this work, this volume surveys the background and development of Christian doctrine and thought from the Graeco-Roman heritage of the Ancient Church through the orthodoxy of Post-Reformation Lutheranism and Calvinism. This exhaustive survey, complete with extensive bibliographies, will be invaluable to the casual reader and the serious student. \$8.75

OLAVUS PETRI

and the ecclesiastical transformation in Sweden

BY CONRAD BERGENDOFF

Pertinent to our own day, here is told once again in a different setting, the church's constant struggle for renewal and reform. Ranking with Luther in Germany, Calvin in Switzerland, Cranmer in England is Olavus Petri of Sweden. Born into the 16th century church and its abuses, Petri was a fellow student of Luther at Wittenberg and like Luther was compelled to work toward reform. By the time of his death in 1552 Sweden's church was transformed and the foundations laid for the modern Swedish state.

THOMAS CRANMER

EDITED BY GERVASE E. DUFFIELD

A Courtenay Library of Reformation Classic, published in cooperation with the Sutton Courtenay Press in England

A complex and controversial figure of English church history emerges as a theologian whose genius was in interpreting tested material into confessional definitions, forms for worship, and practical expositions of the Scripture. This volume brings back into focus the remarkable first Archbishop of Canterbury, the man who sanctioned Henry VIII's divorce, died for his faith during the reign of "Bloody Mary" and was architect of the Prayer Book. This is the first new edition of Cranmer's works in over 120 years.

WILLIAM TYNDALE

EDITED BY GERVASE E. DUFFIELD

A Courtenay Library of Reformation Classic, published in cooperation with the Sutton Courtenay Press in England

The labors of this man, who translated the Bible into English, have shaped and enriched our language "more than Shakespeare even or Bunyan," according to S. L. Greenslade, Regius Professor of Ecclesiastical History, Oxford University. This extensive collection of Tyndale's writings has been republished for the first time in over a century. Here are four complete works on and about the Bible, together with other writings and letters, by the man whose biblical translation is still the basis of the Authorized, the Revised, and the Revised Standard Version of the Bible.
