

“ ... a giant step forward in de-stigmatising women’s mental health issues... ”

Annie Hickox, Ph.D., Clinical Psychologist

“ A really important book. Essential reading for mothers of daughters. ”

Melanie Reid, *The Times*

“ A psychiatrist’s clear, accessible feminist narrative of the mental health problems girls and women still face from childhood through to old age... ”

Maggie Gee, author of *The Ice People*, *The White Family* and *The Red Children*
