The professionalisation of African medicine MURRAY LAST and G. L. CHAVUNDUKA eds

This is the first study of the efforts of Africa's traditional healers to organise themselves into professional organisations and become involved in the official primary health care schemes. Because of the changing position of traditional medicine, this may well be a unique record of a disappearing phenomenon.

New in paperback

Pastoralists of the West African savanna MAHDI ADAMU and A. H. M. KIRK-GREENE eds

The papers in this volume deal with the various aspects of the life of the pastoralists who live in the area between Senegambia and Cameroon. They include historical studies of Adamawa, the Fulani, the Twareg, the Shuwa Arabs and the Koyam in pre-colonial times; a study of Fula language and literature and discussions of the changing nature of pastoralism and the nomadic way of life.

1988 392 pp. Hardback 0 7190 2200 2 **£40.00**
Paperback 0 7190 2248 7 **£13.95**

Transformations of African marriage DAVID PARKIN and DAVID NYAMWAYA eds

These papers investigate the changing role and practice of marriage in African culture and society including issues of filiation, child custodianship, and rights secured through bridewealth transactions. The book will be particularly relevant to academic specialists in African studies, as well as to those concerned with the changing organisation of communities in Africa.

1987 384 pp. Hardback 0 7190 2325 4 **£40.00**
