For further information write to L. Feenstra, M.D., KNO-kliniek, Academisch Ziekenhuis, Groningen, Netherlands.

CLINICAL AUDIOLOGY COURSE, MARCH 1974

A FURTHER non-residential Course in Clinical Audiology will be given by the Operational Acoustics and Audiology Group of the Institute of Sound and Vibration Research during the period 25 to 29 March 1974. The course, now of five days, is intended primarily for specialists in otolaryngology and trainees in the speciality and will consist of lectures and demonstrations of the latest audiological and vestibulometric techniques.

To prevent overcrowding of demonstrations, the course number will be limited to twenty-four, and early application is therefore advised. The fee will be £50.

Further information may be obtained from the I.S.V.R. Conference Secretary (Mrs. O. G. Hyde), The University, Southampton SO9 5NH. Telephone: Southampton (0703) 559122 Extension 2310.
