## **Recognition of Russia: An American Foreign Policy Dilemma**

Professor Bennett's examination of the doctrine of nonrecognition of Russia as it affected American policy from 1917 to 1933, of the efforts to reverse the doctrine in the 1920s, and of the relation between Franklin Roosevelt's decision to recognize the U.S.S.R. and his concern for national security illustrates the dangers of formulating policy in terms of "eternal verities."
