

INFORMATION FOR AUTHORS AND READERS

NOTES FOR CONTRIBUTORS: The Editors welcome contributions on all aspects and periods of the history of architecture. Proposals for the 2017 volume should in the first instance be sent to the Lead Editor for 2017, David Hemsoll, via architecturalhistory@sahgb.org.uk. The Editors will advise the address to which a formal submission should be sent. Since the journal is a double blind refereed one, when the article is submitted formally, two printed copies will be required; rough copies of images will suffice at this stage. Full Notes for Contributors are available on the SAHGB website and intending authors are advised to study them carefully.

SUBSCRIPTIONS: Architectural History is published once a year in September. The 2016 price for an online and print subscription for institutions (excluding VAT or sales tax) is \$240.00 in the USA, Canada, and Mexico and £150.00 in the UK and elsewhere. The 2016 price for an online-only subscription is \$200.00 in the USA, Canada, and Mexico and £125.00 in the UK and elsewhere. EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate. VAT registered subscribers should provide their VAT registration number. OPEN ACCESS: The SAHGB has been committed since its foundation to the promotion of scholarship in the history of architecture to the widest possible audience. To that end, the journal policy allows authors to archive their manuscript in an institutional repository under the Green Open Access model. Please visit Open Access Publishing at Cambridge (cambridge.org/openaccess) for current information on our Open Access policies, compliance with major funding bodies, and guidelines on depositing your manuscript in an institutional repository.

BACK ISSUES AND DIGITAL ARCHIVE: A full index to vols 1-46, created by the late Professor Andor Gomme, is available at www.sahgb.org.uk, alongside contents lists for more recent volumes. Past volumes of Architectural History are out of print to members of the Society and institutions who wish to purchase it. The complete digital archive of the journal is available through the journals homepage with Cambridge University Press at cambridge.org/core/journals/architectural-history. Alternatively, all articles from three or more years ago are available for consultation through JSTOR, a not-for-profit online archive, at www.jstor.org.
