

Japanese Journal of Political Science

The *Japanese Journal of Political Science* is a peer-reviewed journal that publishes original theoretical and empirically tested political science research. Manuscripts across the full range of sub-fields and research methodologies are welcome for consideration. We are open to single country or comparative studies, and particularly encourage those manuscripts that draw on interdisciplinary approaches to political science questions.

Editorial board

Editors in Chief

Professor Rieko Kage, University of Tokyo, Japan
Professor Shuhei Kurizaki, Waseda University, Japan
Professor Phillip Lipsy, University of Toronto, Canada

Editors

Professor Daniel Aldrich, Northeastern University, USA
Professor Kentaro Fukumoto, Gakushuin University, Japan
