## DOURIS AND THE PAINTERS OF GREEK VASES.

By EDMOND POTTIER, Membre de l'Institut.

Translated by BETTINA KAHNWEILER. (With a Preface by JANE ELLEN HARRISON.)

"We have the greatest pleasure in recommending this volume to our readers, as it fills a want whose existence many of us have long lamented. Miss Kahnweiler has given us a good and readable translation, and Miss Harrison's preface is both scholarly and interesting. The illustrations assist the reader in understanding the subject matter, and at the same time make the volume even more valuable."—*The Irish Times*.

"Charming monograph by M. Edmond Pottier. . . . he writes with the simplicity of a fable by Æsop. . . . He has made the making and meaning of Greek vases vivid to me."—*The Daily Chronicle*.
