Special Issue:

Twin-twin Transfusion Syndrome

twin research and human genetics

The official journal of the
**International Society
for Twin Studies and the
Human Genetics Society
of Australasia**

Twin Research and Human Genetics is the official journal of the International Society for Twin Studies and, as such, is the successor journal to *Acta Geneticae Medicae et Gemellologiae*, which was founded in 1952 by Luigi Gedda. He edited it until its cessation in 1998, with Paolo Parisi as Acting Editor and then Executive Editor from 1968 to 1992. *Acta* became the official journal of ISTS when the society was established in 1974. The subtitle *Twin Research* was adopted in 1979. It was published by The Mendel Institute in Rome, except for the years 1979 to 1983, when it was published jointly with Alan R. Liss in New York.

Twin Research itself was founded in 1998 by Robert Derom, who edited it in 1998 and 1999. It has been edited by Nick Martin since 2000. It was published by Stockton Press (which became part of Nature Publishing Group) from 1998 to 2000, by Australian Academic Press from 2001 to 2012, and by Cambridge University Press since 2012.

The title *Twin Research and Human Genetics* was adopted from the beginning of Volume 8 in 2005 and is a translation of *Acta Geneticae Medicae et Gemellologiae*, Luigi Gedda's original title.

In 2008, *Twin Research and Human Genetics* was also adopted as the official journal of the Human Genetics Society of Australasia.

Subscription Rates 2016

Individual subscriptions to *Twin Research and Human Genetics* as members of the International Society for Twin Studies (ISTS) and the Human Genetics Society of Australasia (HGSA):

1 YEAR INDIVIDUAL SUBSCRIPTION

Full member AUD 180

Nonprofessional/

retired member AUD 140

Student member AUD 100

For those members who wish to receive a printed copy, an additional fee of AUD 120 may be paid.

ISTS membership application or renewal can be made online at <https://genepi.qimr.edu.au/ists/ists.cgi> Alternatively, the Word document is available upon inquiry from ISTS@qimrberghofer.edu.au

INSTITUTIONAL SUBSCRIPTION RATES

This journal is published 6 times per year. The institutional rates (excluding VAT) are:

	Electronic Only
Australia	802 AUD
N America	676 USD
UK and ROW	436 GBP

EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate. VAT registered subscribers should provide their VAT registration number. Prices include delivery by air when appropriate. Japanese prices for institutions are available from Kinokuniya Company Ltd, P.O. Box 55, Chitose, Tokyo 156, Japan.

Orders and subscription enquiries should be addressed to:

Cambridge University Press, Journals Fulfillment Department, UPH, Shaftesbury Road, Cambridge CB2 8BS, UK

Orders from N America should be addressed to:

Cambridge University Press, 32 Avenue of the Americas, New York, NY 10013, USA

Twin Research and Human Genetics and all other Cambridge Journals can be found at <http://journals.cambridge.org/>
