Crete A CASE STUDY OF AN UNDERDEVELOPED AREA
By *LELAND G. ALLBAUGH*. The report of a study carried out by the Rockefeller Foundation in an effort to discover what kinds of assistance can be usefully given to underdeveloped areas, and in what ways. It is hoped that the results will be useful to many kinds of specialists—government and foundation officials, foreign-aid missions, private investors, sociologists, etc.—whether or not they are concerned with the Mediterranean area.

524 pages, maps, illustrations, \$7.50

Revolutions of 1848

By *PRISCILLA ROBERTSON*. A vivid reconstruction of what revolution meant to the average citizen of Europe during 1848, and how fateful a part he had in it. "No one else has seen 1848 quite as Mrs. Robertson sees it, with an ample perspective and a tempered but not disillusioned belief in the democratic ideals which inspired the revolutionists."—*N. Y. Times*.

"This spirited book, rich in facts though never merely factual, solid but never stolid, will delight those who prefer history when it is as stimulating as fiction."—Geoffrey Bruun, *N. Y. Herald Tribune Book Review*.

475 pages, maps, \$6.00

Seven Britons in Imperial Russia

Edited by *PETER PUTNAM*. This critical anthology of observations on Russia from 1698 to 1812 was compiled to recreate from firsthand accounts the momentous years of Russia's coming of age. "Peter Putnam has fashioned a unique travel book on Russia that may serve both as fascinating matter for the curious who enjoy reading about foreign lands and as a valuable source book for the scholarly historian."—*Saturday Review*.

Illustrated, \$7.50

MINERALS

A KEY TO SOVIET POWER

By Demitri B. Shimkin. The distribution, development and potentialities of the Soviet mining industry. The author uses available data on the USSR and compares Russia's economic and technological development with that of the United States. A realistic appraisal of Soviet strength and its influence on Soviet policies, by an expert with an extraordinary ability to separate fact from the many fictions of Soviet statistics. Russian Research Center Studies 9. \$8.00

SOVIET OPPOSITION TO STALIN

By George Fischer. The dramatic story of the Vlasov movement, the large body of Soviet soldiers and civilians who fought on the side of the Germans after capture by Hitler's armies. This thoughtful analysis raises vital questions about present-day opposition to Stalin, and about the price we may have to pay for Russian collaborators. Russian Research Center Studies 8. \$4.00

RUSSIA AND THE WEST IN THE TEACHING OF THE SLAVOPHILES

A STUDY OF A ROMANTIC IDEOLOGY

By Nicholas V. Riasanovsky. The Slavophiles were one of the most important groups of intellectuals in mid-nineteenth-century Russia. Mr. Riasanovsky studies and interprets the Slavophile version of romantic nationalism based on the perennial antipathy between Russia and the West—yet paradoxically derived from Western romantic philosophy. Harvard Historical Studies 61. \$6.00
