SUBMISSION OF ARTICLES

MATHEMATIKA is published by the Department of Mathematics, University College London. It contains original notes and memoirs on mathematics and its applications. Any diagram submitted with manuscripts should be of a size not exceeding 1.5 times the final size for printing. Authors are requested to submit a copy with their original manuscript to Professor K. M. Ball, the Executive Editor, at the Department of Mathematics, University College London, Gower Street, London WC1E 6BT. If authors wish their work to be seen by one of the other editors they should mention this when they write to Professor Ball. Each author of each article published will receive 50 reprints free.

SUBSCRIPTIONS

Two parts of MATHEMATIKA are published each year. The parts normally appear in June and December, but are sometimes delayed.

The subscription price for the volume of two parts for 2003 is £55. Cheques and Bankers' drafts should be made payable to UNIVERSITY COLLEGE LONDON and should be sent to

MATHEMATIKA
J. W. Arrowsmith Ltd.
Winterstoke Road
Bristol BS3 2NT
England

Overseas subscribers must arrange to pay by Bankers' Draft drawn in Sterling on London, otherwise bank collection charges absorb a substantial proportion of the total payment, money we can ill afford to lose. All enquiries for the current and future volumes should be sent to MATHEMATIKA, J. W. Arrowsmith Ltd., at the above address.

A special subscription rate of £43 applies to members of some national Mathematical Societies requiring MATHEMATIKA for their personal use.

BACK NUMBERS

Back numbers are available from the Department of Mathematics, University College London, Gower Street, London WC1E 6BT, England. Please write to Professor P. McMullen stating your requirements and asking for a quotation.
