The Eucharist in Bible and Liturgy

G. D. KILPATRICK

This book is concerned with the central act of Christian worship, the Holy Communion, investigating New Testament accounts of its institution at the Last Supper, and examining the three themes of the Eucharist: sacrifice, the sacred meal, and the pattern of charter story and ritual. £15.00 net

Matthew and Paul

ROGER MOHRLANG

An investigation and a comparison of the basic structures of Matthew's and Paul's ethics, discussing their perspectives under the headings of law, reward and punishment, relationship to Christ, and the role of grace, love and inner forces. Special attention is given to the question of ethical motivation. £18.00 net

'And So We Came to Rome'

The Political Perspective of St Luke

PAUL W. WALASKAY

In this review of the 'traditional perspective' of Luke's two volumes, Dr Walaskay asks why Luke included so much material politically damaging to the Christian cause, and suggests that he may have been writing an *apologia* not *pro ecclesia* but *pro imperio*, to assure his fellow-Christians that church and Empire need not fear each other.

Luke and the Law

S. G. WILSON

Usually considered in relation to the views of Jesus, Luke's attitude to the Law has not hitherto been much discussed. Professor Wilson shows that although Luke's stance in Acts is fairly consistent, in the Gospel he is more ambivalent, challenging and upholding the Law at one and the same time. The discussion also shows how Luke's view of the Law reflects his attitude to Judaism and the Jews as a whole.

The Parables in the Gospels

History & Allegory

John Drury

'... a well meditated and well written, even in places sardonically amusing, attempt to examine the individuality of the evangelists who re-told or made up the "parables of Jesus"'. *Church Times*

In a long overdue challenge to the concensus view that the parables were never intended to be allegorical, John Drury argues that the parable as historical allegory is an integral feature of the Gospels. The parables explain and illuminate the narratives in which they are set, and unveil, fascinatingly, the view of history of each writer.

£6.95

CONTRIBUTIONS

Contributions, which may be in English, French or German, should be submitted in typescript (*two* copies) to Professor G. N. STANTON, King's College, Strand, London WC2R 2LS. Contributors are asked to follow the "Instructions for Contributors", *NTS* 31 (1985) 157-159.

Each contributor will receive a copy of the number and 25 off-prints of his article free of charge.

Authors will be responsible for all alterations to proofs which exceed 20% of the cost of composition.

MONOGRAPH SERIES

In view of the increasing number of typescripts which are being received for possible publication, those who wish to submit work are asked not to do so without first consulting the Editor who will be glad to advise about format, length and possible date of publication if the work can be accepted.
