

ANNOUNCEMENT

Political theorist Edward Goerner, long time Professor in Political Science at Notre Dame and associate editor of the *Review of Politics*, died in November of 2012. His papers provide an insight into his work and the development of political theory over a half century. The papers were collected and archived at the University of Notre Dame. John Roos and Allison Murphy produced an inventory of the papers, which is now online at the Notre Dame Archives.

The papers can be accessed at the following addresses:
