* * *

OTO-RHINO-LARYNGOLOGICAL SOCIETY FOR LYONS AND NEIGHBOURHOOD.

There has just been founded a Society of Oto-Rhino-Laryngologists for Lyons and its neighbouring district.

The *President* for the year 1931 is M. Garel, honorary physician to the hospitals and founder of Laryngology at Lyons.

The other members of the Committee are :—

Vice-Presidents, Prof. Lannois, Dr. Moreau.

General Secretary, Dr. Sargnon, 5 Rue Victor Hugo.

Peroral Endoscopy Table

Designed and built at Chiron Works for King's College Hospital

This table is arranged for nasal and aural operations as well as for endoscopic work.

The back rest is adjustable from the dependant position shown in the illustration to one nearly at right angles to the top of the table for nasal operations, in which case a suitable head rest is attached.

The table is adjustable in height and can be tilted in either direction and is absolutely rigid in any position. Further particulars furnished on request.
