### It's voting time again!

The time has come to vote for the *Ninth Annual Mathematical Gazette Writing Awards*. Please use the address carrier from this issue of the *Gazette* to identify the articles and notes of 2003 that impressed you most. The *Index* for 2003 will remind you of the many good submissions.

There will again be a prize draw among those who respond. The prize will be a copy of *Proofs from THE BOOK* by Martin Aigner and Günter M. Ziegler.
