Widely regarded as Canada's leading business law firm

With over 110 lawyers conducting a national and international practice from our offices in Toronto, we are consistently at the heart of the largest and most complex commercial and financial transactions in Canada.

Our partners are recognized as among the best in Canada in their fields of expertise. More than three-quarters of our lawyers are partners of the firm, carefully chosen and committed to the highest standards of quality and client service. We are committed to a philosophy of partnership that is unique among major Canadian law firms, and that governs our working relationships with each other and with our clients.

Our clients include industrial, commercial and financial enterprises – domestic and foreign, public and private – ranging in size and complexity of operations from small businesses to diverse multinational corporations.

We focus our practice on inter-related fields of expertise in which we have the depth of experience and expertise to be a market leader.
