

29 May 1967

In the Arts School, Bene't Street.

Prof. E. N. WILLMER, *Vice-President*, in the Chair.

Fellows elected were:

G. S. Brown, Trinity College	G. S. Martin, Queens' College
D. J. Daley, Pembroke College	V. Navaratnam, Clare College
S. W. Drury, St John's College	A. G. Smith, St John's College
W. J. Ellison, St Catharine's College	D. L. Salinger, Trinity College
A. M. W. Glass, Downing College	M. J. Waring, Jesus College
B. W. J. Mahy, University College	P. M. Williams, Trinity College

Associates elected were:

M. Dirac, Darwin College	A. E. Lee
N. Gane, Gonville and Caius College	M. M. Prebble, Darwin College
J. R. Glastonbury, Pembroke College	E. J. Zimmerman
C. A. Greated, Emmanuel College	

Associates re-elected were:

S. W. Hawking, Trinity Hall	C. W. Mitchell, Gonville and Caius College
D. C. Jones	A. Nietupski
W. Y. Liang, Gonville and Caius College	Chester White

17 July 1967

Fellows and Associates visited the Ministry of Defence Electronics Research Laboratory at Baldock.

ERRATUM

Correction to article 'Asymmetric inequalities for non-homogeneous ternary quadratic forms', by VISHWA CHANDER DUMIR.

Proc. Camb. Phil. Soc. 63 (1967), 291–303.

The first sentence on page 292 should read:

The object of this paper is to prove the corresponding result for indefinite quadratic forms with positive determinants.
