

BLACKFRIARS

theless this book could be used very effectively by an adult with discretion and imagination, and it would make good reading for a child who has not yet acquired the cynicism of our age.

LORD GOD. A book of prayers for boys and young men. By Dom Hubert van Zeller, O.S.B. (Burns Oates; 1/6.)

I think this is rather a good book. It has got some prayers in it which most people wouldn't think of putting in a book. I think that the morning and evening prayers are a bit too long for written prayers and that it is better to make up your own sometimes.
