THE MONTH

Annual Subscription 34s. 6d. (U.S. \$6)

from 114 MOUNT STREET, LONDON, W.1

STARTING in January 1959 a series of articles will be published in each issue on the principal mystical and ascetical writers in the Church. The series when completed in two or three years will form an unusual and fascinating history of mysticism, for the teaching of each of the great figures will be set in an individual and personal framework. Apart from many well-known English writers, a number of French authors of distinction have agreed to contribute. A list of some of the articles and their authors is here given:
