

EBENEZER TOLLER, M.R.C.S.Eng.

We regret to record the death of Mr. Ebenezer Toller, formerly Medical Superintendent of the Gloucester County Asylum. Mr. Toller received his medical education at King's College Hospital, and took the diplomas of M.R.C.S.Eng., 1857, and L.S.A., 1858. He forthwith devoted himself to the study of mental diseases, and held in succession the posts of Assistant Medical Officer at St. Andrew's Castle Licensed House and Colney Hatch Asylum. Thereafter he was appointed Medical Superintendent of St. Luke's Registered Hospital, and later of the Gloucester County Asylum. The latter post he held from 1863 to 1882, when, owing to ill-health, he was compelled to resign.

Mr. Toller strongly advocated the carrying out of the treatment of the insane in as home-like surroundings as possible; he did much to popularise the provision of entertainments for the inmates of asylums, and he himself was musical and athletic. He was a Fellow of the Royal Meteorological Society, and during his residence at Gloucester he made systematic meteorological observations. He had five sons, of whom only one survives him.
